**CITY OF LOS ANGELES REVOCABLE FILM PERMIT
AGREEMENT ASSUMING RISK OF INJURY OR DAMAGE,
WAIVER, INDEMNITY AND RELEASE OF CLAIMS**

Each Permittee, UAS site operator and its agents and employees must operate in accordance with federal, state and local laws protecting an individual's right to privacy. Permittee is responsible for safeguarding the privacy of patrons and neighboring property owners, agree to abide by all privacy laws and regulations and precautions and to defend, indemnify and hold the City harmless from liability which may arise from this Permit. PLEASE REMEMBER that all participants must be fully aware that they are being filmed. Filming of people and their property shall be strictly limited to those who have consented or otherwise have agreed to be in the area where filming will take place. The City of Los Angeles is not liable for any violations of an individual's right to privacy. Permittee, including Permittee's employees, agents and sub-contractors of any tier, must assume all risk of injury resulting from the invasion of the right to privacy.

We do hereby, for ourselves, our heirs, executors, assigns and administrators:

Agree to defend, indemnify and hold harmless the City of Los Angeles, its officers, agencies and employees from any and all loss or liability for bodily injury, death, property damage, invasion of privacy to either party hereto or to third parties which may arise from the exercise of this permit by Permittee or its officers, agents, employees, contractors, licensees or invitees.

We further agree to indemnify and hold harmless the City, its officers, agencies and employees from all loss or liability, including legal costs and reasonable attorney's fees that may arise from our negligence or misconduct while participating in the above-described activities. However, neither the waiver nor the indemnity agreement applies to the gross negligence or willful misconduct to the City or its officers, agencies or employees.

Permittee is insured and shall additionally insure the City of Los Angeles for the coverages specified on the 1461R Form, as a requirement of this permit. Permittee shall maintain, during the term of this permit, evidence of insurance acceptable to CAO, Risk Management prior to Permittee's occupancy of the premises.

We hereby represent that we have carefully read this document, we understand its contents and sign it on our own free will, and we further agree to abide by all safety regulations.

FEDERAL AVIATION ADMINISTRATION**CERTIFICATE OF WAIVER OR AUTHORIZATION**

ISSUED TO

EPT, LLC
Responsible Person: Michael-Ryan Fletchall
Waiver Number: 107W-2017-02202

ADDRESS –

601 East Charleston Blvd, #100
Las Vegas, NV 89104

This certificate is issued for the operations specifically described hereinafter. No person shall conduct any operation pursuant to the authority of this certificate except in accordance with the standard and special provisions contained in this certificate, and such other requirements of the Federal Aviation Regulations not specifically waived by this certificate.

OPERATIONS AUTHORIZED

Night small unmanned aircraft system (sUAS) operations.

LIST OF WAIVED REGULATIONS BY SECTION AND TITLE

14 CFR § 107.29 Daylight operation**STANDARD PROVISIONS**

1. A copy of the application made for this certificate shall be attached to and become a part hereof.
2. This certificate shall be presented for inspection upon the request of any authorized representative of the Administrator of the Federal Aviation Administration, or of any State or municipal official charged with the duty of enforcing local laws or regulations.
3. The holder of this certificate shall be responsible for the strict observance of the terms and provisions contained herein.
4. This certificate is nontransferable.

NOTE—This certificate constitutes a waiver of those Federal rules or regulations specifically referred to above. It does not constitute a waiver of any State law or local ordinance.

SPECIAL PROVISIONS

Special Provisions Nos. 1 to 11, inclusive, are set forth on the attached pages.

This Certificate of Waiver is effective from July 3, 2017 to July 31, 2021 and is subject to cancellation at any time upon notice by the Administrator or an authorized representative.

BY DIRECTION OF THE ADMINISTRATOR**General Aviation and Commercial Division, AFS-800**

**SPECIAL PROVISIONS ISSUED TO
EPT, LLC**

General.

The FAA's Flight Standards Service has reviewed your application to ensure compliance with the requirements of 14 CFR § 107.200. The Administrator finds that the proposed sUAS operation can be conducted safely under the provisions of this Certificate of Waiver (Waiver) as listed below, because you have established adequate mitigations for risks involved with operating your sUAS in the manner you described. Adherence to the provisions of this Waiver establishes the required level of safety within the national airspace system.

This Waiver may be canceled at any time by the Administrator, the person authorized to grant the Waiver, or the representative designated to monitor a specific operation. As a general rule, this Waiver may be canceled when it is no longer required, there is an abuse of its provisions, or when unforeseen safety factors develop. Failure to comply with any provision listed below is a violation of the terms of this Waiver and may serve as justification for cancellation.

List of Regulations Waived by Section and Title. The following regulations are waived:

14 CFR § 107.29, Daylight operation, is waived to allow sUAS operations during night.

Common Special Provisions. The Responsible Person is directly responsible for safety of operations conducted under this Waiver and will ensure the remote Pilot in Command (PIC), manipulator of the controls, and Visual Observer (VO) complies with all provisions of this Waiver.

1. The Responsible Person listed on the Waiver is responsible to the FAA for the safe conduct of the operations. Prior to conducting operations that are the subject of this Waiver, the responsible person:
 - a. Must ensure the remote PIC, manipulators of the controls, and VO are informed on the terms and provisions of this Waiver and the strict observance of the terms and provisions herein;
 - b. Must ensure the remote PIC, manipulators of the controls, and VO are informed and familiar with part 107 regulations not waived; and
 - c. The above must be documented and must be presented for inspection upon request from the Administrator or an authorized representative.
2. This Waiver must not be combined with any other waiver(s), authorization(s), or exemption(s) without specific authorization from the FAA;
3. The FAA has the authority to cancel or delay any or all flight operations if the safety of persons or property on the ground or in the air, are in jeopardy or there is a violation of the terms of this Waiver;
4. Operations under this Waiver may only be conducted in Class G airspace unless a separate airspace Certificate of Waiver or Authorization specifically stating that night operations may be conducted in controlled airspace is received from the FAA, in accordance with § 107.41. The airspace Certificate of Waiver or Authorization to operate at night must be requested separately, and is not part of this Waiver;
5. A copy of this Waiver must be available during sUAS operations that are the subject of this Waiver;
6. The Responsible Person listed on this Waiver must maintain a current list of pilots by name and remote pilot certificate number used in the Waiver holder's operations. This list must be presented for inspection upon request from the Administrator or an authorized representative;

7. The Responsible Person listed on this Waiver must maintain a current list of small unmanned aircraft (sUA) by registration number(s) used in the Waiver holder's operations. This list must be presented for inspection upon request from the Administrator or an authorized representative;

Night sUAS Operations Special Provisions. sUAS operations may be conducted at night, as defined in 14 CFR § 1.1, provided:

8. All operations under this Waiver must use one or more VO;
9. Prior to conducting operations that are the subject of this Waiver, the remote PIC and VO must be trained, as described in the Waiver application, to recognize and overcome visual illusions caused by darkness, and understand physiological conditions which may degrade night vision. This training must be documented and must be presented for inspection upon request from the Administrator or an authorized representative;
10. The area of operation must be sufficiently illuminated to allow both the remote PIC and VO to identify people or obstacles on the ground, or a daytime site assessment must be performed prior to conducting operations that are the subject of this Waiver, noting any hazards or obstructions; and
11. The sUA must be equipped with lighted anti-collision lighting visible from a distance of no less than 3 statute miles. The intensity of the anti-collision lighting may be reduced if, because of operating conditions, it would be in the interest of safety to do so.
